Dear Friend of the Community:

For over 40 years, Children First has been a source of hope and healing for victims of child abuse. **HOPE** is in fact the beginning of **HEALING**.

Like the lowly caterpillar undergoing a metamorphosis into a beautiful butterfly, children affected by tragic circumstances need hope for transformation. Hope of a life free from fear. Hope of a safe home. Even the hope of feeling worthy and loved.

The compassionate professional counselors and play therapists at Children First Counseling Center can only facilitate transformation if adequate funds exist to underwrite life-changing therapies. **Fortunately, YOU have the power to provide the HOPE of a life transformed!**

We invite you to join us on October 31<sup>st</sup> for our famously fun **23<sup>rd</sup> Annual Little Lunch of HOPE** in a new and larger venue! Enjoy a delicious meal, fun & games, celebrity waiters, a costume contest and a live auction hosted by the always entertaining Mayor Pro Tem Jeff Copeland! Though costumes are not required, they are heartily encouraged! After all, this year's event will be on **Halloween Day!** The fun begins at 11 am and continues through 1 pm in the beautiful ballroom of **Asia Times Square**. We'll have BIG fun while doing good for precious children!

Your support of this important annual fundraiser will help provide the **HOPE** of transformation and the **HEALING** necessary to end the cycle of abuse and neglect.

We have enclosed sponsorship, donation and ticket reservation opportunities. We ask that you look them over and open your heart to do the very most you can to be a part of life changing **HOPE**.

Every dollar given is a direct investment in the life of a victim and the future of our community. We know you want to end the cycle of abuse as much as we do, so we look forward to seeing you at the **Little Lunch of HOPE!**

Sincerely,

Beverly Grogan
