HEALTH ♥ HOPE ♥ HEALING

Why Support Children First?

Children First Counseling Center exists to provide emotional healing to victims of abuse, family violence, or other crimes, through counseling or play therapy. Our agency was founded in 1977 and has served the Dallas-Fort Worth area for over 40 years.

As a 501(c)3, we seek to serve low-income children, teens, and adults who are in desperate need of quality mental health care.

Because family violence is a learned behavior, it is crucial that children receive early emotional healing so they will not continue the cycle of violence into adulthood.

THANK YOU!

***We are deeply grateful to
Huggins Honda and all
who champion this
wonderful event to raise
funds that support the
restoration lives
and families.***
