Dear Friends,

Children First exists to provide healing to children, youth, and adults who have experienced abuse, trauma, or family violence. We serve over 700 families annually by delivering 4,400 hours of exceptional counseling and therapeutic services, regardless of the ability to pay. For those we serve, each interaction with a counselor brings a greater sense of clarity and calm, during a time that is traumatic for the entire family.

YOU CAN HELP! It is with great excitement that we share we have raised **\$280,000** towards **A NEW HOME FOR HOPE** Capital Campaign. The goal is **\$750,000** and you can be a vital part of making a lasting difference. Reaching our goal will eliminate the mortgage for our new, larger location, and allow us to remain focused on the delivery of client services. Additionally, it will support necessary technology upgrades and the renovation of the facility, in order to increase client capacity.

When you are in crisis, where do you seek counsel? For many of our families, there is nowhere else to turn. Our expansion is especially timely as the need for abuse related counseling is on the rise. This need will remain elevated for the foreseeable future as many children and battered spouses are sheltered in place with their abusers, due to the COVID-19 pandemic. With our state-of-the-art counseling programs, and licensed, professional counseling team, families in crisis can begin to rebuild again. We also offer services in Spanish to remove language barriers.

Please consider a gift to support **A NEW HOME FOR HOPE** Capital Campaign. Your tax-deductible gift will change the lives of countless children and families who hope for a healthy and stable life. Contributions from valued donors like you have made Children First a leading nonprofit counseling center in North Texas, for over forty years!

Thank you in advance for your support.

Sincerely,

Darcy Harris
Executive Director

A NEW HOME FOR HOPE Capital Campaign Sponsorship Levels
