Dear Friends,

Children First exists to provide healing to children, youth, and adults who have experienced abuse, trauma, or family violence. For those we serve, each interaction with a counselor brings a greater sense of clarity and calm, during a time that is traumatic for the entire family.

It is with great excitement that we share we have raised enough capital funds to complete renovations on our “forever home.” However, our goals to eliminate the mortgage for the building and renovate the exterior, are still primary. Our building is in the works to become an exceptional facility that will provide therapeutic recovery for many children and families to come.

YOU CAN HELP!

Being able to retire the debt on our facility will ensure that greater funds are spent on providing life-changing services. Your donation will assist in contributing to the best possible care for hundreds referred for services in 2021. Due to the pandemic, rates of child abuse and family violence skyrocketed, and Children First is one of only a few nonprofits in North Texas to deliver direct counseling and education to victims of trauma or abuse, regardless of their ability to pay.

For many of our families, there is nowhere else to turn. With our state-of-the-art counseling programs and professional counseling team, families in crisis can begin to rebuild again.

Please consider a gift to support **A NEW HOME FOR HOPE Capital Campaign Encore**. Your tax-deductible gift will change the lives of countless individuals who hope for a healthy and stable life.

Thank you in advance.

Sincerely,

Darcy Harris
Executive Director
